# WHAT WE VALUE

## What we believe makes our company and students extraordinary...

### COMMUNITY

Over the past 38 years, Arts Together has inspired the entire community of Raleigh and beyond by providing engaging and transformative arts experiences to all. This vision of community continues to grow each and every day.

### COLLABORATION

Since Arts Together's inception in 1983, fostering a diverse, inclusive and collaborative environment for our students has been a top priority. Our vision of community is only strengthened through collaboration.

### CREATIVITY

"We Cultivate Creativity" is not just Arts Together's tagline, it is our way of life. We encourage our students to explore their creativity, both in our facilities and out in the world. We believe that the best way to grow and connect with others is through creativity.

### CONFIDENCE

Confidence is key in Arts Together's philosophy. We aim to cultivate a sense of strength and confidence among our students through the arts by encouraging individuality and creativity.

# OUR IMPACT

Arts Together is the only nonprofit in the City of Raleigh with year-round arts education programs encompassing visual art, dance, music, and drama in an integrated format for toddlers and adults. Established in 1983, Arts Together has cultivated individual, creative strengths through the arts in a diverse, inclusive, collaborative, and nurturing community for 38 years. Creativity, community, confidence, and collaboration are the pillars of our culture. Arts Together has been honored to receive the City of Raleigh Medal of Arts Award in 1989 and again in 2014.

With the commitment to building a diverse community and assisting families and individuals who cannot afford the full costs of art programs, Arts Together offers scholarships every year to passionate art lovers based on their financial needs, household size, family income, and availability of funds.

Everyone deserves a place to express themselves without fear of shame and judgment. Our goal is to fund 75 scholarships for students at Arts Together, and we welcome you to join and support access to arts today.

## ABOUT THE CREATIVE CAREGIVERS FUND

Established in May 2019, the Creative Caregivers Fund was created by Meg Revelle, former Executive Director, and David Chapin as a gift to Arts Together to honor the teachers and staff — the people who directly affect students' lives. This fund is dedicated to supporting their professional development. By contributing to this fund, teachers and staff will continue to receive opportunities to learn and grow within their areas of expertise.

"Imagine the possibilities as we grow this fund! Our parents taught us the importance of education and making a difference in the lives of others. Please join us, and give to this fund to make it sustainable for generations to come."

— Meg Revelle
